

Archery Fit

Monthly Tourney

We offer a monthly challenge for any experienced archer, from any archery club :) Competition experience, even if it's a mock shoot, is a valuable source of information for an archer's training. Whatever your goals in archery are (unless there are no goals) – performing under even a minimal pressure will be advantageous for your skills development. Moreover, seeing comparable reference results by the people you know may help adjust your training program / habits – you can get tips at first hand.

Terms of the AF Tourney:

1. What. WA18 round, 60 arrows.
2. When. Any day of a calendar month, 1 attempt per month only (per archer, per division).

7. Rules:
 - regular WA/AGB scoring rules apply (i.e. no touching before scoring, line cutting for higher score, internal ring for CM/CW 10 pts, etc.)

 - club staff (preferably instructors) act as judges if required.

Let the arrows fly :)
